CONFIDENTIAL**JOURNAL****OFFICE OF LEGISLATIVE COUNSEL**

Thursday - 1 July 1971

25X1

1. [REDACTED] Talked to Ed Braswell, Chief Counsel and Staff Director, Senate Armed Services Committee, who feels that, because of the Administration's inability or unwillingness to clearly explain its policies in Laos to the Senate, there is a good chance that Senator Symington's amendment limiting U. S. expenditures in Laos for FY 72 for \$200 million would pass in one form or another.

25X1

2. [REDACTED] Discussed with Representative Frank Bow (R., Ohio) prospects for the above mentioned Symington amendment in the House. Bow strongly doubted that the amendment will pass at least in its present form.

25X1

3. [REDACTED] Raised with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, a question of the prospects of the Symington amendment in the House. Slatinshek agreed with Braswell that unless the Administration more clearly defines and justifies its policies in Laos, the amendment may well pass in the House.

25X1

4. [REDACTED] Talked to David Abshire, Assistant Secretary of State for Congressional Relations, who said he had discussed the Case bill on RFE/RL with Senator Javits (R., N. Y.), who confided that if Senator Case would not push these bills vigorously, Javits himself would do so.

25X1

5. [REDACTED] Lieutenant Burson, Navy Legislative Liaison, called to say that Navy will send its comments to the House Post Office and Civil Service Committee supporting H. R. 9064 which authorizes educational financial aid to children of Government civilian employees missing or captured in Vietnam. Lt. Burson stated that H. R. 9064, introduced by Representative Bob Wilson (R., Calif.), is the same as the bill which Navy was preparing. Lt. Burson stated that only the Civil Service Commission had been requested by the Committee to submit comments. He understands the Commission reported unfavorably based on the problem of funding. Lt. Burson will keep us informed.

25X1 25X1A 6. [REDACTED] Received a call from Mrs. Burke, in the office of Representative Edwin D. Eshleman (R., Pa.), who requested a personnel interview for a constituent. After checking with [REDACTED] [REDACTED] Office of Personnel, I advised Mrs. Burke that an appointment had been set up for [REDACTED] Wednesday, 7 July 1971 at 2:00 p.m.

25X1 25X1A 25X1A 7. [REDACTED] Frances Hughes, in the office of Senator J. Glenn Beall (R., Md.), called and requested an employment interview for a constituent, [REDACTED] After checking with [REDACTED] [REDACTED] Office of Personnel, I advised Miss Hughes that an interview has been scheduled for Thursday, 8 July, at 10:00 a.m. at the Ames Building.

25X1 8. [REDACTED] In response to a call from Mr. Frank Sady, House Appropriations Committee staff, picked up a copy of the "Appropriations Analysis, etc. for 1970-71" for delivery to Mr. John Clarke, OPPB.

25X1 25X1A 9. [REDACTED] In response to a request from Senator Lloyd Bentsen (D., Texas) for review of the Agency rules implementing Executive Order 10501, I met with Mr. Cristobal Aldrete, Legislative Assistant, Mr. George Lowrance, Special Assistant, and Mr. Charles Hodges, Legislative Aide. After brief preliminary discussion, the meeting was continued with Mr. Hodges alone where we reviewed in detail Executive Order 10501 and topic headings and random paragraphs from [REDACTED] At least for the moment the staff appeared completely satisfied with this "review" of the Agency regulations. It is noted that the Senator's staff is feeling its way at present and is not certain as yet what is expected by the Senator.

25X1 25X1A 10. [REDACTED] Met briefly with [REDACTED] concerning House Foreign Affairs Committee handling of the Radios bill, H.R. 9330. [REDACTED] had met earlier in the day with representatives of State Department and learned from them that in their judgment the continuing resolution will be extended at least through Labor Day. It is the staff's opinion that this is to the good for the reason that the energies of the full Committee will be taken probably until Labor Day in consideration of the aid bill. Since consideration of H.R. 9330 will be had by the full Committee rather than by a Subcommittee, no hearings are anticipated until the Committee completes action on the aid bill.

STATSPEC

25X1	25X1A	12.	[redacted]	[redacted]	OSR, said that the Arms Control and Disarmament Agency was requesting Agency permission to give to Senator Henry Jackson (D., Wash.) an annex prepared by and attributed to the Agency in support of the SALT talks. The paper would be used as the answer to a question Senator Jackson asked Ambassador Smith on verification. I told Mr. Loomis that we normally prefer not to leave Agency documents on the Hill and for this reason prefer oral presentations, but that Mr. Maury would like a recommendation from Mr. Proctor or Mr. Clarke first. Later Mr. Loomis advised that the background for the request is somewhat vague and the urgency has diminished and ACDA is going to do some further checking.

25X1 13. [redacted] Talked to Vic Zafra and Hilda Schrieber, OMB, on the status of the Agency's retirement act amendments and learned that the report from Treasury is overdue. Miss Schrieber said she would gig Treasury to get their report in and anticipated no problem from them.
